For Vice-President,

For Presidential Electors,
GEORGE L. WOODS, of Wasco County,

J. F. GAZLEY, of Douglas County.

PRESIDENT LINCOLN.—Too fast—too slow—too radical—too conservative—too lenient—too despotic—too independent of his Cabinet—too much under the influence of the Blairs. This says the Sacramento [illegible], is the sum and substance of the complaints against President Lincoln, and they kill each other. They prove that the President does his own thinking and acts according to the convictions of his own judgment at his own time, which is [illegible] the President [illegible] what the country [illegible] Washington and Jackson and what [illegible] that Abraham Lincoln is [illegible] A conscientious [illegible] ing truth and right, with strong practical sense enlightened by [illegible] experience as he [illegible] [illegible] the idea of [illegible] a weak [illegible] politician without force of intellect [illegible] the [illegible] is the dream [illegible] who want a tool instead of a President.

I hear that a large number of immigrants are at Boise City who have just arrived [illegible] the plains, many are unable to find employment. I advise them if they can find nothing better to do, to come with their teams [illegible] load of hay from the valley at the same time, or vegetables [illegible] will sell well this Fall, Winter or next Spring. They can realize a large profit. Others might commence and chop wood [illegible] If it is certain that as soon as the mills commence crushing rock new life will be given to business of all kinds. **OREGON AT THE FAIR.**—Parties who sojourned in this city on Saturday, and who were visitors during the week at the Salem Fair, report that our county beat the State in the display of materials, manufactures, and arts. We are not much surprised to hear this remarked, when it is taken into account the important position we hold, but we are surprised at what is related concerning the [illegible] out of some of agricultural products. It is stated on good authority that one of the vegetable stores in this city, on any business morning, will show as great a variety of the products of the farm, and as fine, as the entire display at the Fair. We do not say this wishing in any way to disregard the [illegible] but wish the fact that Oregon could do better [illegible] understood that the farmer does not receive sufficient inducements for him to send the [illegible] and [illegible] keep [illegible] for the Fair. [illegible] will not warrant him in doing this, especially when hundreds of dollars are given away for the display of [illegible] bottom" in fancy horses and such. This is a common complaint which our Agricultural Fair managers have taken—and we hope to see it remedied. In our present primitive condition Agricultural Fairs should approximate near what they are termed, and operate more in favor of the community of the farm.

**A CURIOUS GATHERING.**—There may be sayings [illegible] in some instances, not directly true [illegible] the acts of the so-called Democracy, but of one thing we are most positive—the meeting at Willamette Theatre on Saturday night was not [illegible] of a speech gathering. The speeches were [illegible] They were too radical to even suit [illegible] if he happened to possess a spark of [illegible] feeling. It cannot be possible for [illegible] to succeed when it will lend itself to such [illegible] as the speeches at this meeting [illegible]. The friends of the Government have no fears that the people will rally to the standard of [illegible] under the name of any [illegible] that [illegible] may inspire. The Democratic party will remain "Softs" eternally, rather than [illegible] "Hards" after that fashion. Gentlemen, ask yourselves the question: how many votes were affected at that meeting?

**LETTER CARRIER SYSTEM.**—Several new and very important reforms have been introduced into the National Postal laws, which have been in process of preparation by the Department for some time, and which it was thought would be fully matured and put into operation by the 15th of the present month. Among the most important of these, locally considered, we notice the letter carrier system. By the new law letter carriers will be appointed by the Post Office Department as heretofore, but more general, under the provisions of which it is made the special duty of Postmasters to provide for the regular, frequent and prompt delivery, by the carrier, of all letters, so that citizens may have no excuse for clinging to the old custom of calling at the Post-office. In accordance with the law we presume this city will come within its provisions.

**INCREASE OF STAGE TRAVEL.**—The last month's travel by the Overland Coaches from this city south, shows a number of passengers amounting to over [illegible]. This is an increase of 100 over the corresponding month for last year. The whole travel through on the route of this company has very rapidly increased. Parties who often are delayed for a steamer take to the coach, and arrive at San Francisco about as quick, which is owing to the good management of the line.

**EXPORTS.**—The steam propeller *George S. Wright*, [illegible], Commander, was detained on account of some derangement to her machinery, and did not sail for Victoria until two o'clock P. M. yesterday. The exports by her consist of 132 gunnies [illegible], 18 kegs pickles; 18 half bbls. butter; 410 [illegible]; 100 sks wheat; 320 sks oats; 420 sks [illegible]; 750 qr sks flour; 2 kegs eggs; 1 box tobacco; 1 coop fowls.

**THE CONVICTS AT WORK.**—A gang of some 18 or 20 convicts from the Penitentiary, were set to work on Saturday at grading the private property corner of [illegible] and Front streets, for Dr. J. A. Chapman, who has it in contemplation to erect a handsome [illegible] on the ground next season. The stakes of grade were set in accordance with the provisions of the Common Council by city Surveyor [illegible].

**SANITARY AUCTION.**—Our fellow townsman Mr. A. B. Richardson spent a few days among the fair at the State Sanitary Fair, and on Friday last did the selling at the Sanitary Auction, continuing from [illegible] until 5 P. M. Several worthy incidents of the day are related us, among which was the sale of a cake realizing $168. The bidding all [illegible] kept up quite spiritedly, and the patriotic [illegible] of the Auctioneer were interesting and attractive.

**THIRTY-A-GUN.**—The Artillery returned from the Capital last evening, as everybody knew by the reports of their gun at the upper part of the city, where they [illegible] away for a few times. A small boy standing near, witnessed the operation and said it was done on Sunday in consequence of the Company having more *brass* than when they left for Salem a week ago. A fact we observed, as they started with an iron gun, and have had it exchanged for a brass one.

**THE WASHINGTON GUARDS.**—Company B, Capt. Mills, of the Volunteer Militia, returned to this city yesterday in fine spirits, after a week very profitably spent at the State Capital, as will be seen by the correspondence in another column. They attracted considerable attention and made friends after their arrival home.

**HUSSEY'S VARIETIES.**—Messrs. Henry & Moffitt [illegible] from Salem on Saturday night and gave an exhibition at the Opera House, without notice of advertisement, drawing a good house. To-day the troupe are en route for Dalles, and will play at the Dalles, Umatilla, Walla Walla, and elsewhere. They are a good Minstrel company, and we wish them abundant success, everywhere they go.

**ARMORY BROKEN OPEN.**—During the absence of Company A, at Salem, their Armory in this city was forcibly entered by the smashing in of the door [illegible]. The matter was discovered yesterday, but it was not positively known whether anything had been stolen, as the Company did not return until last evening.

**REFRESHMENTS.**—This office and all hands at the case were treated to a sumptuous flow of refreshments on Saturday last, by W. H. Troup, Esq., in honor of the successful launch and safe arrival at the docks in this city, of the splendid new steamer *Fanny Troup*, for the Vancouver trade. The matter was appropriately toasted and tasted by us.

**MAN OVERBOARD.**—As the steamer from the Cascades neared her wharf on Saturday evening there was the accustomed rush of runners, etc., and one man fell into the water. He was rescued, and after that offered to bet he could not fall in again through the same place. We suppose it was because he had been [illegible] a little.

**HIGH WINDS.**—The weather in this section has assumed a variety of shapes and phases during the past few days, winding up yesterday with some high winds, blowing the dust in the streets in the most impenetrable powder into face and eyes of [illegible].

**THE FENIANS.**—The time of meeting of the Fenian Brotherhood in this city has been changed from Sunday afternoon to Monday evening. The [illegible] remains unchanged, and the members are requested to assemble at 7 o'clock this evening.

**GETTING LOWER.**—The Street Commissioner was lowering the grade of the new side walk in front of the new building No. [illegible] Front street, on Saturday. The "hump" is reduced.

**TREASURE.**—The steamer *New World* brought an abundance of treasure from the upper country on Saturday night. There must have been at least ten hundred pounds of gold bullion.

**PERSONAL.**—Hon. George H. Williams arrived in this city on Saturday evening.

[illegible] the last hour of eleven, the [illegible] [illegible] we rushed to the scene of [illegible]. With the many, we pulled with the [illegible] with alder [illegible], and found [illegible] Building burning; no water, machines [illegible] and help wanted. The fire was in the [illegible] vicinity of the Penitentiary [illegible] belonging to Mr. McGuire. [illegible] City Council endeavor to make [illegible] which will provide cisterns in our southern portion of the city.

**Dr. Hostetter's Stomach Bitters.**—The stomach is the fountain head of scores of diseases which infest the human system. Indigestion, bad enough *per se*, generates diarrhea, dysentery, faintness, vertigo, palpitation of the heart, general debility, &c. Get rid of it, then, at once, by going through a course of

DR. HOSTETTER'S STOMACH BITTERS.

A palatable and refreshing preparation, which as surely relieves all complaints of the stomach and its dependencies, as the sunshine melts the snow. A course of the medicine may not perhaps be necessary. One bottle frequently accomplishes a complete cure.—Sold by all Druggists and dealers everywhere. oct3daw

**The first effect** of a bilious climate upon the human system is to produce torpor and inactivity of the Liver, thereby preventing the natural and free discharge of bile. All know the lurking nature of the *poison* that produces Fever and Ague, and its kindred diseases. A yellow complexion, capricious appetite, and occasional pain in the side, are often the only symptoms to warn of impending danger. The operation of Dr. Osgood's India Cholagogue is to counteract this unusual influence, by producing activity of the biliary organs, and a healthy discharge of bile from the system.

Guard against imitation. Be sure that you obtain *Dr. Osgood's India Cholagogue* and you are safe. Sold everywhere. Sole Agents for the Pacific Coast.

**"A Slight Cold," Coughs.**—Few are aware of the importance of checking a Cough or "SLIGHT COLD" in its first stage; that which in the beginning would yield to a mild remedy, if neglected, soon attacks the lungs. "*Brown's Bronchial Troches*" give sure and almost immediate relief. *Military officers and Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.*

REDINGTON & Co., San Francisco, Agents for the Pacific Coast.

**Dysentery.**—For Dysentery and similar complaints of the Summer season, the PERUVIAN SYRUP has proved a remarkable preventive and cure. By imparting tone to the intestinal mucous membrane, it places this surface in the best possible condition to resist the irritation of crude and indigestible articles of food.

## He is Gone till the War is Over.

He is gone till the war is over!
His [illegible] among the [illegible]
I am proud of my hero lover—
Should I weep above his grave?

He is gone till the war is over,
Why [illegible]
May [illegible] lover
[illegible]

He is gone till the war is over,
And, thank you, I am glad
From me, a waiting lover,
I sent my soldier lad.

The dear old flag was thy [illegible],
The land I love was free;
Now my heart is only [illegible],
Now my soldier brave [illegible].

I know he bears him proudly
[illegible]
His bugle will sound loudly
Till death shall lay him low.

He is gone till the war is over—
Perchance my whispered prayer
Those gallant ranks may cover,
And shield my lover there.

But, should the word be spoken,
"How gallantly he fell,"
Although my heart be broken,
It [illegible] country well.

NOT YET TIME FOR THE WAR.—The Manchester (England) *Examiner* has a lengthy editorial on the question of intervention, in which it makes the following remarks:

To mediate in this way with success, it is necessary that both parties should be willing to accept the offices of the mediating power, and the offer of mediation implies that, if it is rejected, the matter will end there. If so, we put it to any reasonable man to say whether there is the shadow of a probability for supposing that it could be successful. We need hardly cite proofs: the conclusion is obvious and incontrovertible. *The North are not yet tired of the war. They have not yet given up the firm conviction that they are able to conquer the South. They are now in the greatest effort they have yet made.* The campaign is undecided, but they fully expect that Grant will succeed in taking Richmond, and that, once captured, the Confederacy will collapse. Besides, there are no materials for a compromise. The question at issue is not where a frontier line shall be drawn, but whether there shall be one republic or two republics within the territory of the United States. On this issue compromise is impossible. There is no middle ground; there can be no reciprocal concessions, no "giving and taking," no possible adjustment. All we could say is, for Heaven's sake stop the war! But this is all we they can take to-morrow, if so disposed, and which they will take all the sooner of their own accord than on the suggestion of a Foreign Power. Mediation of this sort would be harmless, for it would be taken as a threat of ulterior measures. It may mean—stop fighting, or we will make you. In this case mediation is hypocrisy, for though [illegible] friendly, it is a threat of war.

TO GRUMBLERS.—It is very clear that we shall not put down this rebellion by swinging our heels and grumbling at the Government. We shall not do it by counting our superior numbers and calculating our great resources. We shall do it only by bringing those numbers and resources to bear. At this moment, when the rebellion is playing its most strenuous and desperate game, the government wants men. The rebels dash over the border into Maryland. "Why does the Government allow it?" some indignantly ask. The chances are that the somebody who says so has neither been to the war, nor sent a substitute, nor tried to do so, and that he pays his income tax with a groan or an oath.

THE ATLANTIC CABLE.—The copper wire that is destined to connect two great continents, unless the hopes of its projectors are sadly marred, is rapidly approaching completion. Greater skill and more thorough scientific research have been brought to bear in the manufacture of this new cable than were employed in the old. The lessons of experience have not been lost, and the radical defects of the former construction have been avoided. Mr. Cyrus W. Field is announced as having already selected the spot in Trinity Bay where the landing is to be effected, and extensive preparations will soon be begun for anchoring the cable, which lighter than the cordage of a ship, is yet to draw two continents together in the intimacy of face-to-face intercourse. —*Philadelphia Item.*

FIGURES OF THE COPPERHEADS.—An Eastern paper says, "The Democratic party at the Chicago Convention was a unit." Perhaps so, but its candidate is a cipher, and the whole arrangement will come to nought.

PERUVIAN SYRUP,

OR PROTECTED

Solution of Protoxide of Iron,

Has been used with Great Success in Curing

DYSPEPSIA,

*Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Female Complaints, Chronic Diarrhea, Boils, Scurvy, the prostrating effects of Lead or Mercury,*

GENERAL DEBILITY,

and all Diseases which require a

Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY are so numerous, so well authenticated, and of such peculiar character that sufferers cannot reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

Rev. JOHN PIERPONT, THOMAS C. AMORY,
THOMAS A. DEXTER, PETER HARVEY,
S. H. KENDALL, M. D., JAMES C. DUNN,

Certificate of Dr. Hayes.

It is well known that the medicinal effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup, this desirable point is attained by combination IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto-carbonates, citrates and tartrates of the Materia Medica. A. A. HAYES, M. D.,

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DISCOVERY of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and nearly all the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is to act upon the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS AND GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its administration, it remained almost useless, until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

*PURE IODINE IN PURE WATER,*

without a solvent. This, considered impossible by the scientific world, is attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals, and its use recommended to practitioners. See American Medical Monthly, July 4, 1860, page 76.

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is attended by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color, hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle.

Sold by all Druggists. Price, $1 per bottle. Prepared by Dr. H. Anders & Co., Physicians and Chemists, New York.

From the army hospital—the bloody battle-field—the mansion of the rich and humble abode of the poor—from the office and the sacred desk—from the mountain top, distant valleys and far-off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands upon thousands of letters like the following may be seen at our office.

THOMPSON, WIS., Sept. 16, 1864.

* * * I have been in the army hospitals for fourteen months—speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me.

C. A. FLAUTT.

SOUTH WHEELER, O., July 28, 1863.

* * * One young man, who had been almost [illegible] out of the house for two years with Scrofula and Erysipelas, after paying the doctors over $150 without benefit, has been cured by ten bottles of your Bitters.

EDWARD WOOLNALL.

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH STREET,
NEW YORK, August 2, 1863.

DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. * * * Respectfully, MRS. O. M. DEVOE.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER, Madrid, N. Y.

* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.

Thy friend, ASA CURRIN, Philadelphia, Pa.

* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN, Rochester, N. Y.

* * * Send us twenty four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C.

* * * I have given the Plantation Bitters to hundreds of our disabled soldiers, with the most astonishing effect.

G. W. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O.

* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business. H. B. KINGSLEY, Cleveland, O.

* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE, 254 Broadway, N. Y.

etc. etc. etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up only in our patent log cabin bottle. Beware of bottles refilled with imitation deleterious stuff for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.
